* * If the Owners of Coaches or Waggons change their Inns, or Hours of setting out, it will be for the Advantage of such Owners, to send Notice to No 77, in Fleet Street, where such Notice will be marked in every future Edition of this DIRECTORY, and circulated throughout Great Britain.

RULES for REGULATION of CARMEN,
made by the LORD-MAYOR, &c.

1. NO Person shall drive any cart for hire in the city of London or Liberties, without licence from the Governors of Christ's Hospital; and the owner shall pay the yearly rent of 17s. 4d. for every cart, 20s. on every change or alienation of the property of any such cart, and 3s. 6d. for every licence granted by the said Governors. If any one offend in the premises, he shall forfeit for every offence, 40s.

2. All carts, licensed by the said Governors, shall ply for hire in the places appointed by the court of Lord Mayor and Aldermen, or by the sessions in London.

3. If the empty cart of any carman shall be found standing in any other place of the city or liberties, than those appointed for the standing (unless while loading or unloading) or, if the number of carts, in the places appointed, shall be found to exceed the number allowed by the said court of Lord Mayor and Aldermen, &c. the owner shall, for the first offence, forfeit 5s. for the second 10s. and for the third, and every other offence, 20s. And the beadle or constables, or any of the inhabitants, of this city, on seeing any carts standing in places not appointed for their stands, or a greater number of carts at any stand than are allowed, may take any such cart, and the horses thereunto belonging; or either of them, to the Green-yard; and there have the same impounded and kept, until the owner have paid the penalty incurred, and the charges of impounding.

4. No driver of any cart shall come into Thames-st, by St. Magnus church, eastward, with his empty cart, before he is hired to come into the same st for loading or carrying goods; but the lanes and passages hereafter mentioned shall be used only for such empty carts to pass through into the said Thames-st, and no other, viz. the lane leading down to Tower-dock, Bear-la, Harp-la, Botolph-la, Bud-

ding-la, St. Michael's-la, Lawrence-Pountney-la, Bush-la, Trinity-la, and all other lanes westward; except the lanes and passages hereinafter limited for loaded carts to pass through from the said Thames-str, under the penalty of 5s. for the first, and for the second and every other offence, 10s.

5. All carts loaded, passing out of Thames-str, shall from thence pass through these lanes and places following, or some of them, and no other; viz. the hill leading from Tower-dock to the east end of Tower-str, St. Dunstan's-hill, St. Mary's-hill, St. Martin's-la, Dowgate-hill, Garlick-hill, and Bread-street-hill; and no empty cart passing to the said Thames-str, (except such as have been unloaded in some of the lanes or places before-mentioned, and have occasion to pass to the said street immediately after unloading) shall go down the hills, lanes, or places, last mentioned, but the same shall be kept for the passing of carts laden. And that both empty and loaded carts may pass into and from Thames-str through the following lanes and places; viz. Fish-street-hill, Whittington-lane-hill, and Wardrobe-hill, (except as before). Also all carts loaded may go into the said street down all places as shall be best and most easy for them. Every carman offending in any of the aforesaid particulars, shall forfeit for the first 5s. and for the second and every other offence, 10s.

6. If a dispute arise about the distance of ground, or the weight of the goods, either party is to apply to the Lord Mayor, or any justice of the peace of the city; and the ground is to be measured by some person appointed by the Lord Mayor, or any justice to whom application is made. And if a dispute arises about the weight of the goods, the same shall be weighed, if it can conveniently be done, and the party in default pay such expences as are ascertained to be reasonable by the magistrate.

7. Any person may chuse what cart he pleases to employ (except such as stand for wharf, tackle, and crane-work, which are to stand in order, and be taken in turn). And every carman who stands with his empty cart next to any goods that are to be laden, being

being first in turn, shall, on the first demand, load the same without any delay, or bargaining for any other pay than is hereby appointed. And if the first, or any other cart, refuse to work, or delay to load, upon request made, every person so offending, shall forfeit 10s. and the driver of the next cart in order shall be at full liberty to take the same : And if any carman shall refuse so to do, he shall pay, for every time he so offends, the sum of 10s. And if any employer refuse to employ the next cart in order at wharf, tackle, and crane-work, he shall forfeit 10s.

8. All the wharfs between London-bridge and the Temple to be used in turn-keeping, as the custom is below Bridge.

9. The carman who is first in the morning at any of the said wharfs, shall have the first load, he having his horse in the cart, and giving attendance for his labour ; and if absent, then the other whose turn is next ; and whosoever refuseth to load, shall pay, for every offence, 10s.

10. No carman shall come to any of the wharfs between the Bridge and Tower-wharf before four in the morning in summer, and seven in winter, unless a merchant has extraordinary occasion for his coming sooner, under the penalty of 5s.

11. No owner or driver of any cart for hire, in London, &c. shall demand, or take, for the carriage of any goods within the distance described by the act, more money than by the following rates is limited. And if any owner or driver of any cart misbehave himself, or refuse to come when called to be hired, or to take in loading, or utter any abusive language, or offer any insult to his employer, or his servants or agents, he shall forfeit, for every offence, 20s.

12. The driver of every cart shall assist in loading and unloading the goods ; and if he refuse, his employers may retain of his fare what any other person shall be reasonably paid for assisting in his stead, and the sum of 2s. 6d. besides, by way of penalty : And, in case of any difference, some justice of peace shall ascertain the sum to be so paid.

13. Every owner of a cart, shall have his name

at full length, painted in large capital letters, not less than three inches long, and broad in proportion, on some conspicuous part of the front of his cart; and shall take care that it always appear plain and legible. And on the alteration of the property of any cart, the new owner is to cause his name to be put thereon. And if any owner omit this, or any one drive for hire a cart in London, &c. without the real owner's name thereon; or if any one wilfully obliterate or alter the figure or number of any cart, or the name of any carman, painted on his cart, every person, on conviction, shall, for every offence, forfeit 20s.

14. All carts, during the time of loading and unloading in the streets of the city and liberties, shall stand sideways the long way of the str, and not cross the same, and as close to the side of the str as they can, so as passengers, and coaches, and other carts may pass by in the str, if the str is of sufficient width to allow two carriages to pass together therein (except where the situation of the place, or the package of the goods, makes it necessary to load or strike directly). And if any carman shall stand in any str with his cart, not being loading or unloading goods, every such carman shall draw away immediately at the request of any person, to let such person, or any carriage, pass by, if the str will allow thereof; under the penalty of 10s. for every offence.

15. No person under the age of 16 years shall be employed to drive or manage horses in carts, under the penalty of 20s. to be paid by the owners.

16. Every cart shall be allowed to contain in length, between the tug-hole and the fore-ear breadth, six feet six inches, and no more; and in breadth, between the two raves in the body of the cart, four feet ten inches of assize, and no more; and in length, from the fore-ear breadth to the end of the cart, seven feet and one inch, and no more. Any cart of greater length or breadth may be seized and sent to the Green-yard, and the owner forfeit 20s.

17. If the driver of any cart leave his cart in the str or common passage of the city, by night, he shall forfeit

forfeit 5s. besides making recompence to the party who sustains damage, as a justice of the peace shall direct.

18. If the driver of a cart feed his horses in the str, save with oats, out of a bag, or with such hay as he shall hold in his hands, or in a basket, or leave his cart and horses in the str, without some person to look after them, the owner shall forfeit 5s.

19. If any carman put into his cart more than two horses (except up hill, or with timber, stone, or other commodities, where the load cannot be divided, or where the load is to be carried out of the city) he shall forfeit for the first, 10s. for the second, 20s. for the third, and every other offence, 30s. and the supernumerary horse shall be detained at the Green-yard, until the penalty and charges of detaining such horse be paid.

20. No carman shall be allowed to carry in his cart at one time above 25 cwt. of wares that may be divided, or more than one butt, or one pipe, or three hogsheads, or two puncheons, of any liquor, other than as hereafter mentioned, upon the penalty of paying for the first, 5s. for the second, 10s. and for the third, and every other offence, 20s.

21. If the driver of any cart suffer the horses to trot in the str, or drive them in a speedier course than his cart is usually drove when loaded, he shall forfeit for every offence 10s.

22. If the driver of any cart for hire in London, or the liberties thereof, shall not lead his thill horse by the head, with an halter not longer than five feet, he shall forfeit for every offence, 5s.

23. The driver of every empty cart in London shall give way to a loaded carriage, and to a coach, &c. under the penalty of 20s.

24. The driver of any cart who shall wilfully misbehave himself, or shall designedly hinder the free passage of any person, or their coaches, or other carriages, in any of the public streets, during the time he is not loading or unloading, shall, on conviction, forfeit for every offence 20s.

25. If any one refuse to pay the owner or driver

of the cart employed the money justly due for his fare, or in any wise abuse the carman, or misbehave towards him ; the Lord Mayor, or any justice, on application, shall cause the parties to come before him, and examine into the matter, and make such order for payment of the fare, and recompensing the carman, as shall be just ; and the party offending shall forthwith pay the money ordered by such magistrate, under the penalty of 5l.

26. If any one cause the driver of a cart to wait above half an hour for the loading or unloading (the carman being willing to help), he shall pay for the same forthwith to the carman, after the rate of 6d. for every half hour, from the expiration of the first half hour.

27. No carman is compellable to carry a load of goods above three miles from the city and liberties after two of the clock in the afternoon from Michaelmas to Lady-day, or after four from Lady-day to Michaelmas.

28. If the owner of any cart shall not deliver up, to be brought before a magistrate, any driver thereof, charged with any offence against any of these rules or orders, within seven days after complaint made, and notice thereof given or left at the usual place of his abode, then the owner is liable to pay the penalty incurred by the driver ; and if the driver be afterwards found, and does not make satisfaction forthwith to his master for what he shall have paid for his misbehaviour or default, every such driver shall forfeit 5l. for every such default.

29. The Lord Mayor, or any justice before whom any offender is brought, may lighten, mitigate, or remit, any of the penalties, so as not to remit above one half thereof.

30. All penalties, by these orders inflicted, shall be levied by distress and sale of the offenders' goods, by warrant under the hand and seal of the justice of peace ; one moiety of all penalties and forfeitures is to be paid to the prosecutor, and the other moiety to the overseers of the poor of the parish or place in which the offence was committed, or the offender was apprehended.
